Techniques

The ribbon is from the [Forever Greenery Trim Combo pack](#) . The cotton ribbon was colored with the dark Purple Posy blend pens. The alcohol markers dries pretty quickly but I would suggest you do this at the beginning of your project so it dries.

The sentiment is from the [Lovely You](#) stamp set punched out with the [Everyday Label](#) punch. A trick I like to use is when a punch has a flat end on top or the sides. This allows you to cut a label

in half and adhere it on the back of the sentiment stamped on white. This gives the sentiment a little color in the background and makes the sentiment pop.
