This Elegant Poinsettia card is so simple but sparkles and just screams elegance. I am using the Poinsettia Petals Bundle with the Beaded Pearls to add that extra glimmer.

Measurements:

1 - 8 1/2 x 5 1/2" Very Vanilla Thick card base

1 - 3 7/8 x 5 1/8" Cherry Cobbler card stock

1 - 4 1/8 x 5 3/8" Gold Foil Base color

A piece of Very Vanilla Cardstock to stamp the two smaller poinsettia images to create a flower on the front.

A piece of Vellum measured to the size of your sentiment.

Use the 2nd and 3rd (from the largest) Shaped Rectangle die to cut the top border out of the gold foil. You want to emboss AFTER you cut your borders because you will use the center piece for your gold foliage behind the poinsettia. Once they are cut, you take the outside two borders and emboss them. By using the embossing folder, it really adds some texture to the card.

Use an embossing buddy or something like it to get rid of the static cling on your card base and vellum for embossing. On the Cherry Cobbler panel, you use versa mark and gold embossing powder and stamp your poinsettias randomly on the page with a decent amount of space in between each. Layer the smaller border piece on top of the Cherry Cobbler piece.

Stamp your sentiment with gold embossing powder on vellum. Stamp and emboss your poinsettia on Very Vanilla, layer them up and pop it up with a dimensional and adhere it on top of the edge of your sentiment.

TIP - Add your Bronze Blend to the tips and sides of the Beaded Pearl. This will make it look gold

and match the card better than the silver.

Use your multi glue and adhere your foliage behind your poinsettia. Top the whole card off with the gorgeous Beaded Pearls.
