

# Card Gift Holder

Marcie Besecker

(Original Idea from Karen Titus  
Changes by me to add more cards)

Cardstock 11" x 8 1/2"

Score at 5" and 6" - long side

Score at 6" and 6 1/2" - Short Side

- Adhere a card front to decorate the holder
- You can also create a panel or decorate to your liking

I made the adjustment to the scoring so that this holder can hold 8 cards and envelopes, four on each side.

When you add your holes to add the ribbon, wrap the ribbon all the way around the kit and underneath the front panel so that the ribbon stays attached to the holder.
