

# Hershey Kiss Christmas Tree

By Marcie Besecker  
Cased Brenda Quintana

## Tree Triangle

10 ½" x 2" – Shaded Spruce

Long Side (L) score at 3 ¼", 6 ½" & 9 ¾"

Short Side (S) score at 1"

Fold in half (lengthwise) and glue together.

Burnish and fold into a triangle. Overlap and glue.

## Tree Trunk

5 ¾" x 2"

(L) score at 1", 2 3/8", 3 3/8" & 4 ¾"

(S) score at 1" – fold lengthwise and glue.

Burnish and fold overlapping and gluing.

## Inside Strips

11" x 2" - Score every 1" (1-10)

Cut at 1" to have 2 – 11" pieces

Cut one strip at 4"

This will leave you a 4", 7" and 11" that are all scored every 1" already.

Fold them like triangles so the Hershey kiss can fit inside.

## Tips

- Make sure you put the score side in the front and the raw edges in the back.
- Put your ribbon on before you attach the trunk.
